

TeamFFWD

Industry Purchase Program

All of us at FFWD Wheels share the passion for cycling and with that have great respect for the beauty of bikes, parts and accessories! We know many people in the bike industry are like us and therefore work with these great products. Because of our shared passion we now introduce this program to provide the opportunity to enjoy our great wheels at an industry discounted price!

If you are interested please share your details with us and send this form to teamffwd@ffwd.com for review and we will let you know the special price!

Disclaimer:

Wheels bought through the FFWD industry purchase program are intended for personal or promotional use only and not for the sales to third parties. A maximum of two sets per year can be ordered through this program. After sending this form for review we will contact you with a unique discount code for our webshop. Please note that the given discount only applies to wheel sets where shipping is for free, when registering the wheels on ffwd.com you will extend the warranty to three years.
